

2009 Children's Program Pre-Registration, Donation and Tee Shirt Pre-Order

The Children's Program of Simpson Park Family Camp is provided on a faith support basis. There is no registration charge, but we do encourage the giving of a love gift. This gift will help defray the program expenses for the children. A conservative estimate for each child's participation in all the on camp activities for the week is \$45.00. You may give your gift with your pre-registration, or you may pre-register now and make a donation at camp.

Children's Program T-shirts are available for pre-order with a suggested donation of \$10.00 each. It would be nice for each child to have a 2009 Children's Program T-shirt, but they certainly are not required. Reserve your shirt now, and know we will have the right size set aside for you to pick up when you get to camp. Please include payment with your pre-order. (If you prefer not to pre-order, we will have shirts available but maybe not the size you want.)

All children planning on attending any of the children's level programming for even one service must be registered with the camp. **We must have this registration form** (1 per family) completed, a **medical history record form** that includes current medical information and immunization records with **medical insurance numbers**, and the **parent or legal guardian's signature** (1 for each child) before any child can participate. The medical history record form can be copied and is also available online at www.simpsonparkcamp.org. If you cannot fill this out before coming to camp please make sure you bring the information listed above with you to camp (updated immunization records, medical insurance numbers and the parent or legal guardian signature). Forms will be available to fill out at the registration table. Please make sure to list the name of the person responsible for the children during their stay at camp. No child can be registered without a responsible party on the grounds.

Please fill the registration form out completely and return it by July 1st, 2009 to the Camp Office. Pre-registration is a good idea, especially if you are bringing children other than your own. Please use one registration form per family. Children with different last names should be on separate forms. If you cannot pre-register, please bring this completed form along with the necessary medical and insurance information with you to the children's registration area. Registration will be open Saturday, July 25 and Sunday, July 26 from 2 to 4 p.m. and ½ hour before every Tabernacle service.

We look forward to a great year with you and your children. We're working on some fun new activities and our Children's Evangelist team is going to be great. Hope to see you at in July!

Dale and Joan Dewing
Children's Program directors
